

Many thanks to IPSEA for the following discount on their training – exclusively for this event...

IPSEA have created a discount code that will give delegates £20 off any order over £29. This means that you can get £20 off their e-learning (usually £79), e-learning and updates package (usually £99) and the parent training day (usually £89).

The discount code is - **autism event 25/1/16** - no caps, space between each word. It is valid from now until 7/2/16.

The following instructions will help you access the discounts:

- select which IPSEA training product you wish to buy via this link:
<https://www.ipsea.org.uk/contact/training/online-training>
- once you are in IPSEA's on-line training shop, add your product to the cart
- click on "View cart and check out"
- click on "Proceed to checkout"
- type discount code in to Discount box on right hand side and then click "Apply"

Your total will be reduced by £20 and there is no limit on how many times each person can use the code so you can get £20 off each purchase if you place more than one order.

If you experience difficulties please email info@gdmorewood.com for assistance – many thanks, Gareth
